Reading School District: call for special pricing

Combo Packages:

Myth & Magic

Planetarium offering: "Legends of the Night Skies"

This Planetarium show follows the story of Orion and Artemis and explains the Greek mythology behind many of the constellations' names.

Museum tour offering: Greek and Roman highlight focusing on mythology

Grades: 3rd and up

September – February – every year

Science Detectives

Planetarium offering: "Search for New Worlds"

This show introduces audiences to astronomers' methodology for detecting and discovering these far off extrasolar planets and exo solar systems.

Museum tour offering: Nefrina's World (focus on forensic reconstruction)

Grades: 4th and up

September – February – every year

Treasure Hunters

Planetarium offering: "Great Space Treasure Hunt"

This virtual treasure hunt takes viewers through the Milky Way and finally leads us to the great "blue and white treasure" - our earth.

Museum tour offering: Museum Highlights A – Z

Grades: PreK - 1st

September – February – every year

Weather – or Not?

Planetarium offering: "Zula Patrol: Under the Weather"

This show's lovably wacky characters takes youngsters on a roller-coaster fun ride across the Universe -- and teaches them critical facts about science and astronomy in the process.

Museum tour offering: Natural Science and Fossils (focusing on climate change/adaptation)

Grades: K- 3rd

September – February – every year

Happy Holidays

Planetarium offering: "Season of Light"

This holiday themed music and laser light show will give audiences plenty of holiday cheer.

Museum tour offering: Images of the Holy Family

Grades: 1st and up

December only
