Do you have a bad case of the boring birthday party blues? You're in luck, the Doc is IN! Let the Doc get you right back in the swing—her Big Book of Boo-Boos recommends a birthday party at The Museum!

You and your guests will feel much better after a visit to the **Doc McStuffins: The Exhibit** toy hospital featuring an operating room, pet vet and much more. After a hard day's work in the clinic, hang up your hand-crafted magical stethoscope and recharge your batteries with some x-ray art and doctor-inspired games that are sure to tickle your funny bone!

BIRTHDAY PARTIES AT THE MUSEUM

A birthday party at the Reading Public Museum or Neag Planetarium is one your child will never forget!

You may choose from different themes that take place in either The Museum or Neag Planetarium. Participants will get use of a party space, receive a Gallery Tour or Planetarium Show and will make a hand-made craft based on the theme of the party.

MUSEUM PARTIES

Museum Parties include a guided tour of the appropriately themed gallery.

Knights and Princesses

Travel back in time with us as we explore an age of Kings and Queens in The Museum's very special "Arms and Armor" gallery. Make a crown, build a castle, and if you'd like, test its strength with our very own collection of mini-catapults. Get your suits of armor and/or your princess tiaras ready, you're in for a good time!

Mummy Mania

Come spend your next birthday with the most famous woman at The Museum, Nefrura (our 2000 year old mummy). Decipher hieroglyphics and explore all your "whys" and "hows" as you make your very own mummy (from an apple) entombed in a personalized sarcophagus. Tell your friends because this is one party that won't be kept under wraps!

Special Exhibition Party

From Dinosaurs to Legos, there is always something special going on at the Reading Public Museum. Come celebrate your special day with a specially themed party in a temporary exhibition. Check The Museum's website for what temporary exhibition is going on, but whatever it is, it will definitely be FUN!

PLANETARIUM PARTIES

Planetarium Parties include a Planetarium Show (different Planetarium Shows may be substituted upon request).

Spend your birthday exploring space! Make a rocket to take home, design a lunar lander, and learn more about constellations. Plus, see a heart-pumping Planetarium Show. This party is sure to be "Out of this World!"

ARTY PARTIES

Spend your birthday getting creative at the Reading Public Museum as you get in touch with your inner Picasso! Make your very own puffy paint, create sculptures that Chihuly would be jealous of, and explore modern art as you experiment with color. Your birthday will be full of memorable activities worthy of a museum exhibit.

Our birthday party slots are limited and fill quickly, so we urge you to make your reservation soon. Please contact Laura Culp, Event Rental Coordinator, at 610.371.5850 x235 or laura.culp@readingpublicmuseum.org for reservations and any questions you may have about the Children's Birthday Party Packages.
